## Procedure

It is very important that We/Navigators and General (N&G) are immediately informed of any event that may lead to a claim under your policy. Therefore, when you contact them please also quote your policy number if you have it to hand.

They will forward a claim form to you for completion as soon as they are told of the incident, remember you can also download a claim form via our website <https://www.porthcawl-insurance.co.uk/claim-form>

- This should be returned to (N&G), fully completed, as soon as possible whether or not you intend to make a formal claim and they may ask you to obtain estimates for repairing any damage; and/or
- to obtain quotations for the replacement of any items lost or destroyed.

Any estimates or quotations should be sent to N&G without delay although they may also ask you to obtain alternative estimates. A surveyor may be instructed by N&G to inspect and/or investigate. Except in an emergency or to prevent any further damage, repair instructions should not be given without our prior agreement.

When you are satisfied with the repairs, the invoice should be paid by you and the receipted invoices should then be forwarded to N&G for payment to you.

## Useful Information

- Please remember that the repair contract is between you and the contractor. Any instructions regarding either repair or replacement must come from you. However, you must seek our agreement in the first place.
- The claim may be subject to deductions in addition to any policy excess and the clauses in your policy wording should be read carefully so that you are fully aware of these (e.g. sails, covers and outboard motors).

- Road Accidents - obtain details of the driver, vehicle and insurer and any witness(es), and/or call the Police to the scene.
- If possible write down all the details and make a sketch of the site.

### Damage to Third Parties
